

PRODUCT SPECIFICATION REPORT

**POWER KLEEN
ULTRA**
Machine Dish
Detergent

Description:

This concentrated liquid detergent features a low-foaming, biodegradable formula designed for use in large industrial dish washing machines. It combines a powerful blend of cleaning agents to quickly cut through heavy grease, food deposits and protein soils. Additional sequestering agents assure thorough cleaning of a wide variety of dishware including glass, porcelain, plastic and earthenware.

Properties:

Form: Liquid
Fragrance: None
Appearance: Red

- ◆ Highly Concentrated.
- ◆ Free Rinsing Formula.
