A Letter from the New Owner

After **two years** as **Director of Operations** for **Cleaner Solutions**, **Pat Taylor** desired to move into semi-retirement and asked if I would take up the mantle and purchase **Cleaner Solutions** from him. His heartfelt desire was to keep the **company locally owned** and in the **trustworthy hands of his employees**. I was humbled by his confidence and *extremely grateful* for the opportunity, so I decided to accept the challenge as of **November 18th, 2020**.

In all honesty, we have such an incredible team and a solid relationship with our customer base, grown by years of excellent service, that the decision made itself.

Despite the uncertainty surrounding all of us due to the Covid-19 climate, **I am confident and excited about the possibilities** this will bring for us and **look forward to continuing the legacy** that Pat Taylor began so well.

To our customers:

I want to **thank you** for your steadfast business during the past year, through the thick and thin; and want to reassure you that the **quality of service** you have come to expect from **Cleaner Solutions** will not wane; and in fact **will continue to improve**, just as you've seen over the last couple of years.

Please know that we will continue incorporating more robust internal technologies and advanced training techniques for our technicians in the sole endeavor to serve you better each day. **Boasting nearly 50 years of combined industry knowledge** between our team members **we are, and will continue to be, the best** at what we do and look forward to **proving that to you and your staff, day in and day out!**

I will be making rounds over the next couple of months for in-person introductions. But if you would like to get acquainted sooner, just give me a call at 901-414-2288 x701, and I would be happy to come out and see you.

Until then, wishing you all a *wonderfully blessed holiday season* and may 2021 be a much better year for all of us!
